

Krinkle Krusher hits Sony Consoles in early 2015 - Gameplay trailers available!

Minas Gerais, Brazil - 03December 2014 - Brazilian game developer Ilusis is excited to announce that Krinkle Krusher for PS Vita, PS3 and PS4 will be released by 2015 winter and will be priced at \$9,99.

Krinkle Krusher tells the story of a kingdom that was built around a giant magical tree, however, the tree stopped bearing fruit and stayed like that for centuries. One day, without any explanation, it starts bearing fruit again and the entire kingdom decides to celebrate with an amazing party. What no one knew was that an ancient creature has also been awakened by the delicious smell from the fruit. Now one of the most funny and dangerous creatures on the planet has awakened and it is hungry!

Krinkle Krusher combines easy controls with a lot of spell casting while you defend your castle walls from the unending waves of krinkles that are blindly attacking to reach the cake and the magical tree's fruit.

The gameplay of Krinkle Krusher is a mix of spell casting and strategic defense, the player has to move around the main road and use his rings magic to cast energy bolts, fire walls and many other spells to prevent any krinkle from reaching the castle walls. But be careful, if you cast too many times the same spell, the ring will be overloaded and will stop working for a while!

Strive along 60 amazing stages, learning new spells, finding new items to help your journey, acquire magical gems to improve your magic rings and reaching fantastic locations while learning about the krinkles.

Game Features:

- Explore the kingdom and visit 3 different areas, the castle walls, the putrid swamp and the magical forest.
- Help the Mage and Gauntly, his assistant, to defend the 60 spots in the kingdom.
- Battle massive bosses, learn their pattern and show them who's the greatest mage on Earth.
- Discover many spells and combine them to create magical defenses around the battleground.
- Acquire gem stones to improve your spells and turn them into deadly weapons.
- Use 5 different items to improve your survivability during frenetic battles.
